FULLY SYNTHETIC MOTORCYCLE

TORENZOIL FULLY SYNTHETIC 4T 10W60 API SN JASO MA2

DOUBLE **ESTER POWER**

TORENZOIL RACING 4T DOUBLE ESTER POWER FULLY SYNTHETIC 10W-60 SN JASO MA2 Motorcycle Engine Oil is a High Performance motorcycle engine oil manufactured for four stroke & two stroke engines. Reduces stress from daily commutes in start-stop traffic, particularly in hot and humid climates. It offers excellent oil-performance reliability, helping to protect and clean your engine as well as prolong its life. It is specially designed for high performance motorcycle & higher CC motorcycle. Also suitable for lower CC motorcycle where owners looking for performance to their motorcycles. It enhances smoothness & comforts in ridding. It provides engines with better pick-up power, cleaner & quieter engines for a more enjoyable ride. This engine oil is manufactured with high safety measure and quality control according to ISO 9001:2015 standard. Recommended shelf life is 3 to 3½ years, but normally can last for 5 years.

- Double Ester effectively provides cleaner long lasting oil.
- Excellent shear stability – to dampen vibration and reduce noise.
- Ensures higher engine performance and power.
- Reduces problems associated with oxidation during engine operation.
- Reduces carbon, acid and sludge formations.
- Ensures smoother, cooler and quieter engine.
- Prevents engine rusts & corrosions.
- Keeps engine running clean and efficient.
- Saves fuels.

SPECIFICATIONS

- SAE 10W60
- API SN
- JASO MA2

TORENZOIL FULLY SYNTHETIC 4T 10W50 API SN JASO MA2

DOUBLE **ESTER POWER**

TORENZOIL RACING 4T DOUBLE ESTER POWER FULLY SYNTHETIC 10W-60 SN JASO MA2 Motorcycle Engine Oil is a High Performance motorcycle engine oil manufactured for four stroke & two stroke engines. Reduces stress from daily commutes in start-stop traffic, particularly in hot and humid climates. It offers excellent oil-performance reliability, helping to protect and clean your engine as well as prolong its life. It is specially designed for high performance motorcycle & higher CC motorcycle. TORENZOIL FULLY SYNTHETIC 4T 5W40 API SN JASO MA2

DOUBLE **ESTER POWER**

TORENZOIL 4T 5W40 API SN JASO MA2 Fully Synthetic SN JASO MA2 is specifically designed for bikers who love the exhilaration of riding to the limit. This Fully Synthetic based 4-stroke oil, using MAS formulation has a long and successful racing association, flows fast and stays strong, reducing internal engine friction even under the most arduous riding conditions. It has been tested and proven to deliver exceptional acceleration and power at the touch of the throttle.

SPECIFICATIONS

- SAE 5W40
- API SN
- JASO MA2

SEMI SYNTHETIC MOTORCYCLE

TORENZOIL SEMI SYNTHETIC 4T 15W50 API SN JASO MA2

DOUBLE ESTER POWER

TORENZOIL SEMI SYNTHETIC 4T 15W-50 SN JASO MA2 is Semi Synthetic engine oil for modern, high performance 4-stroke sports bike that increases engine acceleration and power right up to maximum rpm. Racing 4T SN Series, using Power Up's long and successful anti friction formulation, flows fast and stays strong, reducing internal engine friction even under the most tremendous riding conditions. It has been tested and proven to deliver exceptional acceleration and power at the touch of the throttle.

SPECIFICATIONS

- SAE 15W50
- API SN
- JASO MA2

TORENZOIL SEMI SYNTHETIC 4T 10W40 API SN JASO MA2

DOUBLE ESTER POWER

TORENZOIL SEMI SYNTHETIC 4T 10W-40 SN JASO MA2 is a SPECIALLY formulated premium MOTORCYCLE engine oil. High Performance motorcycle engine oil manufactured for four stroke & two stroke engines. Reduces stress from daily commutes in start-stop traffic, particularly in hot and humid climates. It offers excellent oil-performance reliability, helping to protect and clean your engine as well as prolong its life. It is specially designed for high performance motorcycle & higher CC motorcycle. Also suitable for lower CC motorcycle where owners looking for performance to their motorcycles. It enhances smoothness & comforts in riding. It provides engines with better pick-up power, cleaner & quieter engines for a more enjoyable ride. Its advanced additive system ensure excellent control over wear due to friction, soot induced wear, high temperature deposits, corrosion, foaming and oxidation stability. This engine oil is manufactured with high safety measure and quality control according to ISO 9001:2015 standard. Recommended shelf life is 3 to 3½ years, but normally can last for 5 years.

- Double Ester effectively provides cleaner long lasting oil.
- Ensures higher engine performance and power.
- Reduces problems associated with oxidation during engine operation.
- Reduces carbon, acid and sludge formations.
- Ensures smoother, cooler and quieter engine.
- Prevents engine rusts & corruptions.
- Keeps engine running clean and efficient.

SPECIFICATIONS

- SAE 10W40
- API SN
- JASO MA2

TORENZOIL SEMI SYNTHETIC 4T 5W30 API SN JASO MA2

DOUBLE ESTER POWER

TORENZOIL SEMI SYNTHETIC 4T 5W-30 SN JASO MA2 is Semi Synthetic engine oil for modern, high performance 4-stroke sports bike that increases engine acceleration and power right up to maximum rpm. Racing 4T SN Series, using Power Up's long and successful anti friction formulation, flows fast and stays strong, reducing internal engine friction even under the most tremendous riding conditions. It has been tested and proven to deliver exceptional acceleration and power at the touch of the throttle.

SPECIFICATIONS

- SAE 5W30
- API SN
- JASO MA2

MINERAL BASE MOTORCYCLE

TORENZOIL MINERAL 4T 20W50 API SN JASO MA2

TORENZOIL Mineral 4T 20W-50 SN JASO MA2 is designed for high performance 4-stroke sports bikes to deliver optimum power and protection in all riding conditions.

It is suitable for all makes of 4-strokes bikes, both carburettor and fuel injected where API SN (and earlier) and JASO MA or MA2 specifications are recommended.

SPECIFICATIONS

- SAE 20W50
- API SN
- JASO MA2

TORENZOIL MINERAL 4T SAE40 API SN JASO MA

TORENZOIL Mineral 4T SEA 40 SN JASO MA2 engine oil is recommended for use in all makes of petrol and naturally aspirated diesel engines fitted to passenger cars and light to medium commercial vehicles where SAE 40 monograde oil is specified. Formulated to satisfy engine manufacturers warranties as monograde, good for engine oil top up, provide excellent anti-wear and anti corrosion.

SPECIFICATIONS

- SAE 40
- API SN
- JASO MA

TORENZOIL MINERAL 2T API TC JASO FA

TORENZOIL Mineral 2T JASO FA is Mineral engine oil for modern, high performance 2-stroke sports bike that increases engine acceleration and power right up to maximum rpm. Racing 2T TC Series, it has been tested and proven to deliver exceptional acceleration and power at the touch of the throttle.

SPECIFICATIONS

- 2T TC
- JASO FA

ENGINE OIL TREATMENT

DOUBLE ESTER POWER

TORENZOIL POWER MOTORCYCLE PERFORMANCE

TORENZOIL POWER MOTORCYCLE PERFORMANCE is exclusively formulated to blend with petroleum and synthetic oils, gear lubes, transmission fluids and grease. It contains no solids to retard penetration and will not cause any material build up or change even the finest of machine tolerances.

Compatible with all types of oil
Exceeds industry standards for:

- Cleaning & treating internal components.
- Reducing friction, temperature & wear.
- Improving fuel economy & performance.
- Reducing harmful emissions.

BENEFITS;

- Ensures longer engine life.
- Provides cooler, smoother and quieter engines.

BRAKE FLUID

TORENZOIL SUPER HEAVY DUTY BRAKE FLUID DOT-4

TORENZOIL BRAKE FLUID DOT-4 is formulated from a mixture of high performance glycol & glycol ether for Disc & Drum type brake systems, which call for DOT-3 & DOT-4 performance. It is specially designed for extremely low & high temperature. It greatly reduces the tendency to evaporate at high or elevated temperature when brake is in action. It provides very high boiling resistance and ensure an extra margin of safety over conventional brake fluids. It has a superb transfer of pressure in hydraulic braking system to ensure vehicle brakes effectively.

RADIATOR COOLANT

TORENZOIL COOLING SYSTEM RADIATOR COOLANT 97% (ANTI FREEZE)

TORENZOIL RADIATOR COOLANT is a mix of anti-freeze, anti-rust, corrosion inhibitor, anti-scaling, anti-cavitations & water. It is designed to protect your vehicle radiator and cooling system all year round. Most of all, it helps to avoid engine overheating. It has additives that are intended to protect your cooling system by preventing corrosion, rust, cavitations, scaling as well as providing lubrication and increasing cooling efficiency.
